Aussie Blue®

BLOODY RIPPER

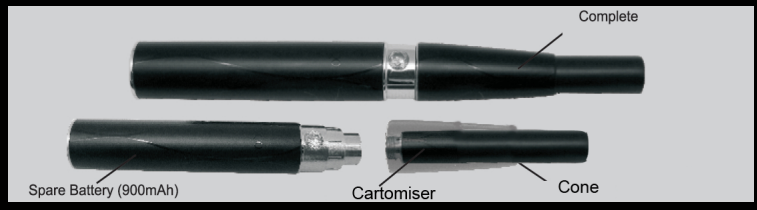
Congratulations on your purchase of the Aussie Blue® Bloody Ripper. Please read this user manual before starting.

The Kit includes:

- Gift box
- 2 batteries
- USB charger
- Power Plug
- 5 prefilled cartomisers
- 1 cone cover
- 1 lanyard

- The Ripper has an internal battery at 900mAh to provide approx 100 puffs before it needs to be recharged.
- The battery can be recharged over 300 times. After 300 charges the battery may lose its ability for extended charge.

How to use Your Ripper Ecig



1. Screw the cartomiser into the battery. Screw on the cone cover.
2. Press the diamond button while you are taking a drag. Take a long slow drag. Let go of the button when you finish your drag.
3. The battery will need to be recharged when the LED light blinks continually when you are taking a drag.
4. The LED light on the charger will be red while charging and will turn blue when the battery is charged.

Caution:
1. Keep the Ripper battery dry. Keep away from moisture and high temperatures.
2. Use the charger provided with The Ripper.
3. Keep out of reach of children.
